

# Rainbow Remix Workshop Info

Thank you! And welcome to the Rainbow Remix Workshop! On this page you'll see the supply list and some prep info!

## What we'll cover:

In this workshop I'll walk you through how to make the Rainbow Remix quilt from Modern Rainbow Quilts

- We'll hit the key milestones to get you past the biggest hurdles.
- A color technique you can use to move fabric from hue to hue, or value to value
- Plus a couple ideas to take the technique further
- Relax and enjoy the live experience because the recording (closed captioned) is yours to keep!

## Pre-Workshop Facebook Lives\*:

- Here's a couple links to Facebook Live Replays about the Rainbow Remix workshop:
  - <https://www.facebook.com/100057920925684/videos/208517384288835>
  - <https://www.facebook.com/100057920925684/videos/745228803076945>

[\\*General link to all Facebook Lives Video Library](#)

## Color Options:

This workshop and technique works best when you play with a gradient

- Rainbow Gradient (This is what I used)
- Color to Color Gradient - Going from one color to another color like a sunset
- Value Gradient - Going from a light blue to a dark blue

## Supply List for a Wall Hanging Sized (page 96 of [Modern Rainbow](#))

- a copy of [Modern Rainbow](#)
- 1 large scrap (10"x10") of 50 colors
- (Optional Kit) the Rainbow Solids Sampler Bundle is ideal for Rainbow Remix - [Get it here.](#)

Want to make it bigger? Here's some thoughts:

- Add more colors

- Double (or Triple!) the 50 colors

I'm looking forward to spending a few fun filled hours with you!
